

Report from Jennifer Brunk

Hi Jean,

I hope you are well and taking good care of yourself. My family and I are being extremely careful. So far, so good.

I don't have much to report on except these items:

1. Prince Foundation is fine with being recognized at the fall concert next season. The \$7,500 can continue to be logged as support for the 2019-2020 season and the Chorale can reapply in early 2021.
2. I resent the receipt fo Jack Miller as requested.
3. I just emailed Patrick about the anonymous donor who had pledged \$2,500 for the Chanticleer concert. I'll let you know when I hear back.
4. I suggest that if the situation with the coronavirus results in an inability to hold GNFS as an in person fundraiser in the fall, that the Chorale plan on holding a virtual GNFS in the fall instead, regardless of the situation with the concert season (be it delayed, shorted or what not). I think it would need to include an online auction in order to bring in revenue in leu of tickets. I believe that Alena will be the right person to coordinate it, if she will, with help from an event committee and chorale members. I can serve as a volunteer in a consulting role if she or you are interested in talking with me. I am helping my current workplace to do its first online auction in July.

My hours worked for development were:

January - 23 hrs

February - 24.5

March - 6 hrs

Total : 53.5 hrs @ \$50 = \$2,675

My best wishes to you and everyone with the Chorale.

Take care,

Jennifer
