Planning Team	5	Great to sing together in small groups	Hard to organize & communicate details to everyone. The timeline was not set well for preparation and rehearsing	Yes	
Cabaret singer	5	Bringing music and happiness to others.		Yes	
Cabaret singer	4	Singing with other people and chatting with the audience afterward	Get music to singers earlier to allow for longer preparation time	Yes	
Cabaret singer	5	Live singing with others in intimate settings	We need better amplification for the accompaniment. The open air setting made the music very hard to hear.	Yes	
Cabaret singer	4	singing together again, listening to or soloists	Wondering if sponsorship would help ensure larger audiences	Yes	Singing and listening did my heart good after so much negativity on the airwaves
Chorale Staff or board	3	raising \$ for Chorale	Better communication between all involved parties	Maybe	
Cabaret singer	5	It was nice to sing for a live audience		Yes	
Cabaret singer	5	Getting to sing with my chorale friends after a long Covid drought. Enjoyed the tearful response of the guest of honor at one of the events which almost made me tearful. Good choice of music as well	Maybe advertise for year round events and asking if their are particular pieces for the specific event they would like or have a list to choose from especially if year round	Yes	I appreciate the effort that went into choosing the music and the organizing behind it. I think if live music continues to be "forbidden," people may crave hearing even a small, "safe", group
Planning Team	4	Great opportunity to perform.	Start earlier with advertising and scheduling.	Yes	
Planning Team	4	Process was very collaborative.	Communication regardless who was supposed to what & when was not perfect, (not surprising for a first time event).	Yes	2 or 3 SHORT Zoom sessions involving the team DURING THE PROCESS, not just before, would have been a good idea to keep everyone on the same page.
