Submitted by J. Lemmenes

Discussion points & updates:

1. Board Recruitment - Mark DeWitt is presented to the board for recommendation and support as our newest board member to start this July, recorded as: 2024-1st Term.
2. MCACA is finished (A copy of the narrative will be emailed to the board soon.)
3. Budget (rough draft-emailed separately)
 - Singer Dues: The Executive Committee recommends \$150 dues for this full season, and recommends returning to \$200 the following season.
 - Season tickets: The Executive Committee recommends no season ticket sales this upcoming season since there will only be 2 regular concerts. Adventures in Harmony is free and tickets for the Beethoven concert with the Holland Symphony are through the symphony.
4. GNFS - With the recent CDC changes for large event venues, we need a discussion on how many tables and people around a table we will plan for. Current plans and updates will be given at the meeting.
5. Staff reviews will take place this month.
6. New Meeting Schedule - Attached
7. FYI-Current Projects/Events in planning stage:
