Hi, all - I do plan to attend, but Greg and I will be returning from Chicago, where he has a medical appointment. If all goes well with the return trip I will see you in person. But last week when we made this trip, I-80 was a disaster and it took us over 4 hours to get back. If I run into a problem, I'll phone in. Jean, I'll let you know by text message if that is the case.

I have only two updates from my previous reports...

1. West Ottawa's Performing Arts Center is too expensive for Adventures in Harmony. Their discounted rate is over \$3,300 which includes the pay for the tech people. Last time we were at Zeeland PAC, we paid \$725, plus the fees for the tech people. I've contacted Jonathan VanEck at ZEHS to check availability there.
2. I'm still searching for the right venue for CONSIDERING MATTHEW SHEPARD. Jack Miller Center at Hope is also prohibitively expensive, so I'm exploring other options. (The piece requires an actual stage, so a church won't work.)

See you tomorrow!

Patrick
