

The Holland Chorale COVID-19 Protocol – 2022-23 Season
Approved by the Holland Chorale Board
August 1, 2022

The Holland Chorale's goal remains unchanged: To provide and maintain a safe and healthy environment for our musicians and greater community. These protocols follow the guidance from the CDC (Center for Disease Control and Prevention) and the Ottawa County Health Department. Our Board of Directors will monitor health guidance from local and national health authorities and, if necessary, change these protocols.

Those who agree to sing, volunteer, or participate with the Holland Chorale acknowledge that by doing so, they may be increasing their risk of exposure to COVID-19.

Vaccination

The CDC strongly recommends vaccines for all six months or older and boosters for those who are eligible. The Chorale Board supports this recommendation but does **not** require vaccination for participation.

Masks

Masks are **optional** (except as noted below).
