MASTERPIECES OF SACRED MUSIC: Handel's MESSIAH (Parts 2/3)

Saturday, April 20, 2024

- Note date change from the original proposal. Hope does not do rentals of their venues on Sunday.

Miscellaneous:

- Experimenting with rehearsal Time 7-9. Talking with younger prospects (especially with children) – 9:30 end time is prohibitive. Possible social time ahead of rehearsal, with no break in the middle.
- Fall Conference – Push back to October?
- I've accepted two new members already: Anna Griewahn (Soprano I) and Jennifer Kow (Soprano II/Alto I). Both are terrific singers, and we have interest from five additional people. Upcoming auditions: July 23 and August 20.
