Hi, all! I'm traveling to Cincinnati to celebrate our grandson Henry's 3rd birthday. Hard to believe that wonderful little boy has been in our lives for three years - he's the apple of our eye! I will miss being with you tomorrow for the board meeting, but I've attached the schedule-at-a-glance that I provided to the Chorale today.

Updates regarding venues for AIH and Messiah for 2023-24: Sarah VB feels we may be able to book the workshop portion of AIH in Dimnent and the performance in the Jack at Hope. In the last minute hustle of concert preparation I haven't followed up with her on that, but will do so this week. That arrangement will work just fine.

I'm currently leaning toward the Messiah performance in Dimnent Chapel as well. Will try to pin that down as well this week. Hope does not allow Sunday venue rentals, so that performance will need to be on Saturday instead. I'll email the whole group as soon as I get this settled this week.
