

2024-2025 ADVERTISING

The Holland Chorale is thrilled to announce our 65th anniversary year! On the heels of an amazing 64th season, we are so proud of our continued momentum in producing and performing top choral performances. We are grateful to *YOU*, our local businesses, and organizations for the support in our continued growth since 1960. We count ourselves as truly fortunate to be able to play a significant part in the production of impactful choral arts right here in our Holland community and ask for your continued support as our program continues to grow in reach.

Your business can offer support for our programming by purchasing digital logo advertising with us. It is a cost-effective way to show your support for the arts and help us in continuing to produce a great season of fine choral performances. Digital Logo Ads are \$500 for the entire season, will run during the 2024-25 performing season (September – June) and will promote your business or organization in several ways:

- ♪ Your business's logo and link to your website will be posted on hollandchorale.org and included in our email marketing and social media.
- ♪ Concert programs will include a QR code to a more detailed online program with your logo and a link to your website.
- ♪ On-screen recognition of advertisers at our concerts.

*May not be available at all concert venues.

Thank you for your consideration in supporting the Holland Chorale! We look forward to hearing from you and seeing you at our 2024-25 season events.
